Ah, Sou!
I told you that the season will change today!
I told you earlier in the bathroom!
Oh.
You can't wear long sleeves.
Is that so?

Mmm.
thinks
Here, this is the short one!
I am too used to it...
Ah!
ぐいん。
ぐいん。
Hmm?
Sou, that!
Your shoulder!

Why is that...?
What do you mean why? It isn't the time for that!
Isn't that the spot where the crow pecked?!
Even though you kept saying that you are okay and didn't let me see,
something must have happened!
I'm fine. More importantly the mirror!
You are you okay? Let me take a look!
That's not it... I was just thinking of cleaning up the broken glass...
That stupid crow! It will be hard to clean up.

That's right... we were too surprised and didn't think properly...
If has been casted
That crow said something about a curse.
Maybe this is the curse?
すっ
Also, when I looked at it yesterday, it was just slightly red, nothing special.
WHAT ARE YOU SAYING? IT'S A BIG PROBLEM!!! THE CROW KNOWS HOW TO TALK AND IT EVEN BROKE THE WINDOW TO ATTACK US.
common sense!
Is it a curse?!
Isn't it a curse?!
Magic...
It should be bacteria
Even though it's a curse, it seems like some kind of magic...
Cast...

So this is a curse...
Hey!
Sou, I just thought of someone who could've cast it...
Me, too.
That stupid four-eyes...
Or rather I can't think of anyone but him!
That bast-ard... I will deal with him tomorrow!!!
Is it okay if we get the money for the glass?
It was hard to clean them and Sou was hurt
That's too easy for him. Sui! Make sure he compensates for mental damages!
Force him!

ガラッ
Good morning
Good Morning, Kunimi.
I'm glad you are here.
Morning!
pant
Why are you in a rush? Did something happen?
Where is Sou? Didn't he come with you?
Something big happened!
He will be here after putting down his bag!

What? Keiji?!
Can you contact Kunimi Keiji immediately?
That's because...
I can... but why do you want to find Keiji?

So, I'm guessing that the curse was casted by an onmyoji.
Mm...
This is indeed a curse and it looks like a very trouble-some one.
Although I am not sure ...
You don't know, even though your powers are stronger?
Suu helped you, right?
Uuh
ぐさっ
EVEN IF SUU USED HIS POWERS ON ME IT IS JUST THE BEGINNING!
IF YOU ARE TALKING ABOUT STRENGTHENING MY POWERS IT DEPENDS ON ME I HAVE TO TRAIN AND I HAVE JUST STARTED TO!!!
Is that so...?
Heh.
THAT'S RIGHT!!!
You see...

We must force him to pay the repair fees for the window and compensate for mental damages!
And tell him not to do this kind of thing again! We should make him swear it or something!
That's right, call him out quickly and erase this weird mark!
Anyway, he was unhappy because I did not listen to his request.
Also, the curse
But I think he was targeting Sui...
it doesn't seem like it is from the Kunimi House
If there is a motive, there will be an action. Or rather, I should say that normal humans can't use such spells!
Therefore, the culprit can only be him!
.....
That's not it. Keiji won't target the objective immediately he is not that kind of person
But the werewolves and vampires do need Sui.... The only possible suspect is Keiji!
That is sly of him. Yeah, too crafty!!!
Hmm... I will suspect him, as well.
Only he uses curses

ゲラゲラ…
すちゃっ
Okay! Let's ask Keiji!
Takaya Sui, you are here.
Good morning.

じとお..
What is it? This cold atmosphere...
Why are you looking at me like that...?
Yesterday was bad...
EVEN IF I DIDN'T ACCEPT YOUR REQUEST ISN'T IT OVER THE TOP TO ATTACK US?!
THANKS TO YOU WE HAD A HARD TIME CLEANING UP AND SOMETHING WEIRD APPEARED ON SOU'S SHOULDER.
Wait a moment,
what happened? I did not attack you!
EH?!

Don't disagree with me in unison!!!
You are lying.
!
Right?
Isn't it?
Stop acting! You better pay up for the broken glass and compensate for mental damages!
Talk about money later! First, remove the mark of the curse on Sou's shoulder!
You even used onmyodo to harm people, how can you still try to hide it? There is no one but you.
Curse? Onmyodo?
That's right! That's it!
Take a look!

Weird...
How can I not know about this curse...?
That is not possible.
ブツ...

Let me take a picture of it.
キッ
Sorry,
I want to research on this curse mark!
Eh? Sure!
I will look into it as soon as possible!
I'm leaving.

If he's not the culprit, who should we get to pay for the broken window and the compensation for mental damage?
That's right... Why did that talking crow attack us...?
Who is the culprit...?
This is the first time I've seen him like this.
It seems like the culprit is not Keiji.
This is really an urgent matter!!!
DO YOU KNOW HOW DANGEROUS IT IS? SOU!!!
RIGHT NOW WE DON'T KNOW THE MOTIVE OF THE PERSON WHO CASTED THE CURSE! WE ARE ALSO UNABLE TO REMOVE THE MARK AND WE DON'T KNOW WHAT IS GOING TO HAPPEN!
SOU! THIS IS NOT THE TIME TO TALK ABOUT MONEY!
Don't worry, he will definitely find something!
How do I explain the way he works...?
Keiji will research that curse mark properly.
Sui, calm down.
But... didn't he say that he is not sure...?

So, he can definitely get some information on it!!!
It's not that he wants to prove his innocence, he does not allow himself to not know of a curse mark! That is basically because of his pride!
Anyway, even if you get frustrated, nothing will be solved, just calm down and wait for the news!
Okay?
Okay...
What you said is very trustworthy.
I can accept that
That's true, he doesn't seem to care about being suspected...
Now that I think about it-
Right?
That guy is full of pride.

He said he is resting at home today.
Now that I think about it, where is Kitano?
Ah!
After I calming down I just remember ed
Ah now that you mention it

ガヤ...

Is that so...?
Today as well
